Referee Game Report Forms: The home coach is required to mail in both game report forms after the match unless a red card is issued, then the referee will mail in one form. Both coaches are required to sign one copy of the form and verify the final score of the match. The intention of signing the game sheet is to bring to the coaches' and the referee's attention the score at the end of the match while it is still fresh in their minds. This will help reporting the scores accurately with fewer mistakes.

Score Reporting – There was a motion from the floor by Lakewood that the home team is required to report the score of the match in the score reporting section of the AASL website by midnight of the following day or the home team will forfeit the match. The motion was seconded by Rocky River. The motion was passed by a majority of the floor.
